Marketing

Extended retailer text	<p>All about you</p> <p>Enjoy full 1080p resolution, with a fixed-focus glass lens ensuring you're always the centre of attention. Meanwhile, automatic white balance and light correction always shows you (and your room's) true colours.</p> <p>Looking good, feeling green</p>
-------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

The TW-200 webcam is made with 85% recycled plastics, so you can simultaneously do your thing – and do your part in ushering in an eco-friendly future.

Long-distance relationship?

A long-distance microphone picks up voices and sounds from up to 5m away. You know, for when you need your space.

Sight unseen

Don't leave privacy up to chance. A built-in privacy shutter ensure that no one sees anything you don't want them to see. Like you singing to your cat.

Ready for action

Just plug in and start recording – using the included universal stand that's suitable for both monitors and desk surfaces.
