Exactive shell computer backpack

The Exactive backpack is comfortable and practical for carrying your computer, accessories and documents. Access to the main compartment is from the back of the backpack for better protection against theft.

The main compartment contains 2 separate padded pockets for tablet and computer up to 16", as well as several interior zipped pockets to organize contents. The contents of the bag can be organized into two distinct parts thanks to a removable divider. A loop on the back allows you to slide the backpack along a telescopic suitcase handle. With a small zipped pocket on the back for quick access to your wallet, phone, etc. Possibility of recharging a phone or tablet using the integrated USB port cable and charger not included.

Particularly suitable for cyclists and motorcyclists the waterproof side pocket contains a waterproof cover to protect the bag in bad weather, back and straps made of mesh foam for greater comfort and an antiperspirant effect, adjustable chest strap for a perfect fit and good support. Reflective strips for better visibility at night.

Capacity 16 liters. 2 years warranty.
