	Roll	18.30	x 15.00	Height x Diameter(cm)	0.66
	Sheet	38.00	x 18.30	Length x Width(cm)	

Product Description

No matter which surfaces they come into contact with throughout their day, give your employees and visitors greater peace of mind by providing proven cleaning and disinfecting workplace hygiene solutions to help break the chain of germ transmission. WypAll® L10 professional wiping paper products are designed for the specific environments where they will be used, helping enable you to deliver on your wiping task every time. These centrefeed roll disposable paper wipes are 1 ply and designed for retail and service environments. The unique Airflex™ Technology in this wiping paper is designed for exceptional strength and absorbency. These WypAll® paper wipers are designed to be used once with detergent or disinfectant. These dry cleaning wipes have been tested as compatible for use in spray and wipe application with peracetic acid, hydrogen peroxide and quats (quaternary ammonium compounds). Spray and wiping compatibility helps to ensure workers can wipe own work spaces, vehicles, desks, seating and food prep areas before and after use. Spray and wipe also helps to enable production workers to clean down / sanitise individual workstations before hand-off to next shift. For environments where fully saturated wiping is a requirement, these WypAll® wiping rolls are tested as compatible with soap/detergent. Always follow manufacturers instructions for dilution, application and contact time. Individual sheet size of these paper wipes is 38cm (L) x 18.5cm (W). 6 rolls x 390 sheets, 1 ply, white (2,340 total)

Product Features

- Each WypAll® L10 centrefeed roll contains 390 white wiping paper sheets
- These paper wipers come in a centrefeed roll format for easy single sheet dispensing
- Dry cleaning wipes designed for light duty use in service and retail environments
- Single use wiping paper roll designed to be used once with detergent or disinfectant
- Exceptional strength and absorbency thanks to the Airflex™ Technology in these disposable wipers
