Product description

With the Pelikan highlighter, you will never lose sight of the essential parts of the text. This is ensured by the high luminosity of the ink with simultaneous good transparency, so that the marked text remains visible and easy to read. Thanks to the special tip, you can mark and structure in three widths. Together with the large colour selection, the highlighters are therefore also suitable for creative purposes. Highlighter made of 80% recycled plastic. Handle recess for ergonomic grip. 6 Pastel colours : yellow, green, pink, orange, purple and blue.

Product features
