Declaration of Conformity

Product: No Ordinary Gloves – Single Use Nitrile and Vinyl Gloves

Supplier: Yradiant Global Pty Ltd

Date: 05/11/2025

Issued to: Cetro Medical

1. Product Identification

This declaration covers the following disposable gloves supplied under the No Ordinary Gloves brand:

- Single use nitrile gloves
- Single use vinyl gloves

2. Regulatory Compliance

We hereby confirm that the above-mentioned products fully comply with:

- Commission Regulation (EU) 2024/3190 of 19 December 2024 Concerning the use of Bisphenol A (BPA), other bisphenols, and their derivatives in materials and articles intended to come into contact with food, amending Regulation (EU) No 10/2011, and repealing Regulation (EU) 2018/213.

3. Bisphenol A and Derivatives – Statement

- No Bisphenol A (BPA), other hazardous bisphenols, or their derivatives are used in the manufacture of these gloves.
- The products have been tested according to the latest regulatory requirements and accredited analytical methods.
- Results: No detectable levels of BPA or other hazardous bisphenols/derivatives were found in either the nitrile or vinyl gloves, based on the current method and applicable detection limits.

4. Supporting Evidence

Compliance is supported by independent third-party laboratory testing (SGS, April 2025), which confirms:

- Verification of label claim validity – Bisphenol A: Passed (Not Detected)
- Specific migration of bisphenols and bisphenol derivatives under Regulation (EU) 2024/3190: Passed (Not Detected for all substances tested)
